1. All Preachers are responsible for their own appointments. If you can not fulfil an obligation, arrange for a fully accredited substitute to replace you, inform the society minister and the Superintendent.

2. Each local preacher on trial / note is to have a mentor, they must make sure this has been arranged.

3. Each mentor is responsible for the trial service of their local preacher, as well as presenting a marksheet and a written report at the next local preachers meeting.
